

# **Ten of One**

Find a simple subject to photograph. Take a general photo of your subject for reference, then take as many completely different/unique photos of your subject as you can. Think about using different lighting, compositions, color or texture to add interest. Photos can be Color or B & W, Macro or Abstract. Be creative, play around with your subject and have fun!

**Photos Due by December 29, 2025**

Email the general photo of your subject along with your favorite 5-10 individual photos to [kristikolson@hotmail.com](mailto:kristikolson@hotmail.com)

See example below.

## Subject - Eggs
